

NVIDIA Open NVDLA Contributor License Agreement

Thank you for your interest in contributing to the NVDLA Specification. In order to clarify the intellectual property license granted with NVDLA Contributions from any person or entity, NVIDIA requires that a Contributor have a signed Contributor License Agreement (CLA) on file, indicating agreement to the license terms below. This license is for your protection as a Contributor as well as the protection of NVIDIA and adopters of the NVDLA Specification; it does not change your rights to use your own Contributions for any other purpose.

This CLA is agreed to by the party signing below ("You") and conveys certain license rights to NVIDIA Corporation and its affiliates ("NVIDIA") for Your contributions to the NVDLA Specification. This CLA is effective as of the latest signature date below.

Unless otherwise defined below, all terms shall have the meaning ascribed to them by the [NVIDIA Open NVDLA License and Agreement v1.0](#).

1. DEFINITIONS.

"You" (or "Your") shall mean the copyright owner or legal entity authorized by the copyright owner that is entering into the CLA. For legal entities, the entity Submitting an NVDLA Contribution and all other entities that control, are controlled by, or are under common control with that entity are considered to be a single Contributor. For the purposes of this definition, "control" means (i) the power, direct or indirect, to cause the direction or management of such entity, whether by contract or otherwise, or (ii) ownership of fifty percent (50%) or more of the outstanding shares, or (iii) beneficial ownership of such entity.

"Submit" is the act of uploading, submitting, transmitting, or distributing code or other content to NVIDIA for inclusion in the NVDLA Specification, including but not limited to communication on electronic mailing lists, source code control systems, and issue tracking systems that are managed by, or on behalf of, NVIDIA for the purpose of discussing and improving the NVDLA Specification, but excluding communication that is conspicuously marked or otherwise designated in writing by You as "Not a Submission."

"Submission" means any copyrightable material Submitted by You, including any associated comments and documentation.

2. Your Submission.

NVIDIA Open NVDLA Contributor License Agreement

You must agree to the terms of this CLA before making a Submission to the NVDLA Specification. This CLA covers any and all Submissions that You, now or in the future (except as described in Section 4 below), Submit to any Project.

3. Originality of Work.

You represent that each of Your Submissions is entirely Your original work. Should You wish to submit work that is not Your original creation, You may submit it to NVIDIA separately from any Submission, identifying the complete details of its source and of any license or other restriction (including, but not limited to, related patents, trademarks, mask works, copyrights, and license agreements) of which You are aware, and conspicuously marking the work as "Submitted on behalf of a third-party: [named here]".

4. Your Employer.

References to "employer" in this Agreement include Your employer or anyone else for whom You are acting in making Your Submission, e.g. as a contractor, vendor, or agent. If Your Submission is made in the course of Your work for an employer or Your employer has intellectual property rights in Your Submission by contract or applicable law, You must secure permission from Your employer to make the Submission before signing this Agreement. In that case, the term "You" in this Agreement will refer to You and the employer collectively. If You change employers in the future and desire to Submit additional Submissions for the new employer, then You agree to sign a new Agreement and secure permission from the new employer before Submitting those Submissions.

5. Licenses

a. NVDLA Patents.

You grant NVIDIA, and those who receive the Submission directly or indirectly from NVIDIA, a perpetual, worldwide, non-exclusive, no-charge, royalty-free, irrevocable (except as stated in Section 2 of the NVIDIA Open NVDLA License and Agreement) license under the NVDLA Patents to make, have made, use, offer to sell, sell, import, and otherwise transfer DLA Products and the NVDLA Specification, where such license applies only to those Your patent claims that are necessarily infringed by the Submission or the combination of the Submission with the NVDLA Specification (or by a DLA Product embodying the Submission or the combination of the Submission with the NVDLA specification) to make, have made, use, offer to sell, sell and import or otherwise dispose of the Submission alone, in combination with the NVDLA Specification, or as embodied in a DLA Product.

b. Other NVDLA Rights.

NVIDIA Open NVDLA Contributor License Agreement

You grant NVIDIA, and those who receive the Submission directly or indirectly from NVIDIA, a perpetual, worldwide, non-exclusive, no-charge, royalty-free, irrevocable license to reproduce, prepare Derivative Works of, publicly display, publicly perform, sublicense, and distribute the Submission, alone or in combination with the NVDLA Specification, and such Derivative Works, and to commercially exploit any mask works included in the NVDLA Specification or such Derivative Works.

c. Other Rights Reserved.

Each party reserves all rights not expressly granted in this CLA or the NVIDIA Open NVDLA License and Agreement. No additional licenses or rights whatsoever (including, without limitation, any implied licenses) are granted by implication, exhaustion, estoppel or otherwise.

6. Representations and Warranties.

You represent that You are legally entitled to grant the above licenses. You represent that each of Your Submissions is entirely Your original work (except as You may have disclosed under Section 3). You represent that You have secured permission from Your employer to make the Submission in cases where Your Submission is made in the course of Your work for Your employer or Your employer has intellectual property rights in Your Submission by contract or applicable law. If You are signing this Agreement on behalf of Your employer, You represent and warrant that You have the necessary authority to bind the listed employer to the obligations contained in this Agreement. You are not expected to provide support for Your Submission, unless You choose to do so. UNLESS REQUIRED BY APPLICABLE LAW OR AGREED TO IN WRITING, AND EXCEPT FOR THE WARRANTIES EXPRESSLY STATED IN SECTIONS 3, 4, AND 6, THE SUBMISSION PROVIDED UNDER THIS AGREEMENT IS PROVIDED WITHOUT WARRANTY OF ANY KIND, INCLUDING, BUT NOT LIMITED TO, ANY WARRANTY OF NONINFRINGEMENT, MERCHANTABILITY, OR FITNESS FOR A PARTICULAR PURPOSE.

7. Notice to NVIDIA.

You agree to notify NVIDIA in writing of any facts or circumstances of which You later become aware that would make Your representations in this Agreement inaccurate in any respect.

8. Information about Submissions.

You agree that Submissions to the NVDLA Specification and information about Submissions may be maintained indefinitely and disclosed publicly, including Your name and other information that You submit with Your Submission.
